Study in the Heart of Europe

Welcome to Thomas More

Largest University of Applied Sciences in Flanders

You will study on one of our 10 campuses, along with 22.000 fellow students. We offer 42 full bachelor's degrees, including 10 taught entirely in English, and 19 associate degree programmes.

Trend-setting degrees

Thomas More is a pioneer in the practice of 'learning by doing.' We put our students in the driver's seat, with an emphasis on innovative labs, internships and real-world projects executed in close collaboration with our partner companies.

Dedicated and experienced staff

Know the ins and outs of your field of study and have close ties with companies in the industry. Once you graduate, you'll be ready to transition seamlessly into your profession.

International connections

Take advantage of our partnerships with leading businesses and organisations worldwide. Gain work experience and build up your network.

Prepare for the real world

Our courses are designed in close cooperation with innovative and leading companies and organisations in specific industries to ensure that you are ready to dive headfirst into your future career.

World-renowned university association

Thomas More is part of the KU Leuven Association. KU Leuven is ranked in the QS top 100 universities in the world and 45th place in the Times Higher Education University Rankings.

Our reputation precedes us

As a Thomas More graduate, you will be known for having the right attitude & skillset for the 21st century - and the professional know-how to back it up. Good to know: 99% of our students find a job within 3 months of graduating!

Welcome to Belgium

International experience guaranteed

Belgium is home to the headquarters of the European Union - with easy train connections to Amsterdam, Paris, London and Berlin - making it a true international hub.

Multilingual

English is widely spoken throughout Belgium (on top of the other 3 official languages: Dutch, French and German).

Open-minded

Belgians are known for being open-minded and are always excited to meet non-Belgians.

Intelligent

The Flanders region has one of the most highly ranked education systems in the world.

Food lovers

Who doesn't love chocolate, fries and waffles?

Partners in Education

Our **'Partners in Education'** will be an integral part of your **educational journey**, rounding out your education with practical, **real-life experience**. All those companies support Thomas More students by sharing expertise, coaching tomorrow's leaders and challenging you to achieve MORE. Not to mention, their names will look great on your resume!

International Internship

Working abroad allows you to put what you've learned into practice and gain the real-world expertise that employers value.

Most of our international degrees include international internships, which give students hands-on work experience – not to mention a serious CV boost!

Putting the 'international' into international studies

If you think our programmes are only international in content, think again! Students from all over the world come to study at Thomas More, creating a diverse community that represents a wide variety of cultures and life experiences.

International Study Exchange

A study exchange gives you the opportunity to specialise in certain areas, immerse yourself in another language and explore new cultures. When picking a study exchange destination, students can choose from our worldwide network of university partners. Reviews from past students and an easy-to-use database will help you find the best fit.

Setting you up for success!

A bachelor's degree programme is an exciting new adventure – and also a challenging one. At Thomas More, we are committed to our students' success. We organise regular workshops and drop-in sessions aimed at developing your study skills and test-taking strategies. Now, there's nothing to stop you from reaching your goals.

Going global

Our English programmes focus on building up your international portfolio and getting you ready to compete on the global stage.

Most of our degrees include an international component, whether it's a study exchange, an internship or an international project.

WELCOME TO

Mechelen

Mechelen is a happening Flemish city with cosy neighbourhoods, cool hangouts and creative public initiatives – a high-profile alternative to Antwerp or Brussels.

You will also study in the city honored with the title of 'best mayor in the world!' Mechelen is hip and happening – a lively city on a student scale. The campus is centrally located, within walking distance of the shopping streets, and at the same time very quiet, nestled in the midst of the Kruidtuin Park.

Have a cappuccino on-the-go while walking from the station to the campus. After your exam, have lunch in the sun and visit the shops. Then, back to the learning center to study, drop your books in your dorm room and head out for a night on the town! In Mechelen, everything is close by. #2800love, indeed!

Campus Kruidtuin

Lange Ridderstraat 44, 2800 Mechelen
+ 32 (0)15 36 91 00
info.kruidtuin@thomasmore.be

Campus Kruidtuin is where we train the kindergarten, primary and secondary education teachers of tomorrow. This experience-oriented campus is centered around education: the learning centre, the Junior Fablab, the 'Wigglewobblewoods' and the kindergarten lab are the ultimate places for students to work together on projects and assignments or just take a moment to unwind. Thanks to our unique infrastructure, you will get the chance to learn 'the trade' in a safe and supportive environment.

Your international career starts here! Our state-of-the-art boardroom gives students a taste of the real business world. You'll work in an innovative environment on challenging projects, designed and supervised by our partner companies.

Let your creative juices flow in our green key and radio studios, both stocked with a variety of high-tech gadgets, like drones and VR glasses. Students have access to graphic workshops, a photo studio, a hip communications agency, an editorial room, editing cells, and much more!

Campus Lucas Faydherbe is a creative space with large, bright studios. In the workshop you'll find everything you need: 3D printers, laser cutters and panel saws, just to name a few. Plus, the warm and welcoming atmosphere allows staff and students to pleasantly mingle for a personalised and collaborative learning experience.

WELCOME TO

Sint-Katelijne Waver

Campus De Nayer is a cutting-edge technology campus, with extensive research labs stretching over 12,000 square metres.

Experiment for yourself in our Makerspace; build your first prototype and even produce small volumes. You'll find all kinds of machines, materials and tools at your disposal: think 3D printers, laser cutters and milling machines.

Questions about your individual study programme?
Your programme's designated study counsellor will help you out!

Let's get started!

Do I meet the admissions requirements? Do I need to prove my English proficiency? These are just some of the questions you might have before applying.

Luckily for you, our **admissions team** is here to guide you through the whole process. As soon as you receive your admission letter, you can apply for a student visa (if necessary) and look for **accommodation** using our online database.

Hit the ground running

In need of a helping hand? Our **buddies** – your fellow students – will be your first friends on campus and can even pick you up when you arrive, either at the airport in Brussels or at the train station. They will welcome you with open arms and get you settled in.

Not fully registered yet? Your buddy can also help you complete the last steps of your registration process. You'll have your student card in no time!

Meet other international students

During our **Welcome Days** you'll meet new students from all over the world.

By lunchtime, you'll know everything there is to know about living and studying in Belgium – from opening a bank account to the best Belgian 'frituur' to buy your "French" fries.

After a few icebreaker activities, you and your new friends will be ready to explore the campus and discover everything that student life in Belgium has to offer.

Want extra support?

Our **Student Services Team** (better known as “Stuvo”) is a strong support network for Thomas More students. The team offers a variety of workshops and support groups that will help you manage your worries, stress and fear of failure. Stuvo will show you how to believe in yourself and find your inner strength.

Despite the excitement of a new environment and new friends, your family may still be far away. With new courses, and possibly even a different way of taking exams, it is totally normal to feel a bit down at times. If you need someone to talk to, our **Student Service Counsellors** are here to support and encourage you. Anything discussed with our counsellors will be held in the strictest confidence.

Facilities for those studying with a disability, learning difficulty or any other special needs can be discussed with our **care coordinator**. Work together with your coordinator to figure out what works best for your needs.

Need a break from studying? Our **international student organisation** (ESN) hosts fun activities, like speed dating, beer tasting, weekends away and other cool things to do. You'll never feel lonely at Thomas More!

Living in Belgium

Living expenses

The cost of living in Belgium can vary according to many factors. It's worth having a look what your day-to-day costs might be in Belgium.

Here are just a few examples of monthly expenses:

- **Accommodation: € 312-547**
- **Food: € 170-200**
- **Public transport: € 80**
- **Social activities: € 150**
- **Study costs: € 125**

Find special student prices on meals and other discounts throughout the country just by showing your student ID card. This makes life in Belgium more affordable for students. For example, a visit to the cinema will cost you up to € 5 less than a non-student!

Work after your studies

Extending your stay in Belgium to find a job after you've graduated with the orientation year.

Are you an international student with a valid residence permit as a non-EU student? Have you graduated at a Belgian university? Do you wish to find a job or start your own business in Belgium? You can apply for a residence permit as a graduate in an orientation year!

Testimonials

Admission & Application

Have you found your perfect fit? Then, go ahead and fill out an application. Even if you haven't obtained your secondary school diploma yet, you can already submit the application and send us your diploma once it's ready.

Students from outside the European Economic Area (EEA) are encouraged to start applications well in advance, since visa procedures can take weeks and sometimes even months.

Admission requirements

Our application process is straightforward, but of course you will need to fulfil some requirements.

Good to know:

Thomas More has no numerus clausus procedure, nor do we have a limit on the number of admitted students for our bachelor programmes.

Diploma requirements:

If you're qualified to start an equivalent programme in higher education in the country where you completed your secondary education, then you're qualified for admission to Thomas More. Additional requirements may be set for candidates with a diploma obtained in a non-EEA member state.

Language requirements:

You need to be reasonably proficient at speaking and writing English (level B2, European Framework).

For more details, please look at our English degree requirements web page:

www.thomasmore.be/en/admissions_degree

Additional requirements:

For our postgraduates and short programmes, please check online if you meet the additional requirements for the programme of your choice.

General application deadlines*

- **EEA-applicant:** no deadline (but don't miss our welcome week)
- **Non-EEA-applicant:** we encourage you to apply as soon as possible, as visa procedure can take weeks, even months. Ultimate deadline: Beginning of June for FALL and End of November for SPRING.

*Postgraduates: keep in mind the additional assessment dates applicable for your programme.

Student visa

Students coming from the EEA, Monaco or Switzerland can enrol in an English programme without a student visa. All other students will need to apply for a student visa before coming to Belgium. Received your registration certificate and/or financial attestation? Let our admissions team know in which Belgian Embassy you will be applying so we can confirm your registration.

Scholarships*

You may qualify for a merit based scholarship based on your study results. If you pass at least 60% of your registered credits in the first exam period, you will get a reduction on the tuition fee in the following semester.

*For NON-EEA bachelor students in need of a student visa and for NON-EEA bachelor students who reside in Belgium with a residence permit based on studies.
